Rocky Mountaineer

For a different experience, extend your Rocky Mountaineer rail vacation by adding on a trip onboard the Whistler Sea to Sky Climb and experience the BC coast like never before.

Join the Rocky Mountaineer Whistler Sea to Sky Climb on a breathtaking three and a half hour journey between North Vancouver and Whistler. The route delivers the unique blend of contrasts the Sea to Sky region is famous for; cities and old-growth forests, bustling action and natural serenity, deep valleys and snow-capped peaks, seascapes and mountain views.

Onboard guests experience a classic rail experience featuring quality service, extensive legroom and scenic views through large picture windows. Guests are assigned seating in a classic rail coach, breakfast or an afternoon snack served at your seat, access to the Heritage Observation Car, service and interpretive commentary by an experienced Onboard Attendant and rail station transfers in Vancouver and Whistler.

Ever wanted to do it all? Now you can with our range of packages. The Classic Rail Circle is the ultimate 9 day journey through the dramatic scenery of Canada's West, on three of Rocky Mountaineer's routes including Whistler Sea to Sky Climb. This vacation includes accommodation in Vancouver, Whistler, Quesnel, Kamloops and two nights in Jasper.

INCLUSIONS:

Your journey aboard the Whistler Sea to Sky Climb includes breakfast or an afternoon snack, complimentary beverages (excluding alcohol), access to the open air observation car, onboard commentary and transfers to and from the train.
