EXCLUSIVE travel partner for foreign amateurs. Don't miss out on this rare opportunity to become one of the few people in the world to have run the Pyongyang Marathon. We'll see you at the start line!

Pyongyang Marathon - running shirt size Koryo Tours will provide free running shirts to everyone signed up for a Koryo Tours Pyongyang Marathon Trip. Male shirts are a regular fit, while female shirts are a slim fit. Please pay attention to the sizes as they are smaller than western shirt sizes.

Transport | Train and Flights to North Korea (High-season) This tour travels between Beijing-Pyongyang by train each way in a hard-sleeper carriage (6 bunks per compartment). The train journey takes 24 hours with a transfer at the city of Dandong. One-way or round-trip flights are also available. The flight takes around 90 minutes. For an extra 265 EUR you can upgrade to a one-way flight. A round-trip ticket costs an additional 435 EUR. We recommend flight entry with a train return for the best overall experience on your trip.

Visit the DPRK border town of Sinuiju If you're heading back to Beijing by train this option lets you get off for an overnight in Dongrim before the next day's tour of Sinuiju — the border city with China. Spend an extra 24 hours in the DPRK seeing the sites of North Pyongan province. You will then continue on through to Beijing.

Visit Dandong — the Chinese gateway to the DPRK Instead of immediately returning to Beijing when your tour ends you can take some extra time to visit this fascinating border city, which directly faces the DPRK town of Sinuiju, but lies on the Chinese side of the Yalu River. We offer both one-night and two-night fully guided extensions that take in all the sights of Dandong, with a special North Korea theme.

Upgrade to your own room All hotel rooms on our all-inclusive group tours feature twin beds, and will be shared. If you'd like a room to yourself then you can upgrade for an extra 40 EUR per night.

Insurance for up to six nights We're unable to take you on one of our tours if you do not have medical insurance that covers the destination in question. Issues of isolation and infrastructure where we go mean it would be irresponsible of us to do so. We can provide this if you do not have it — or you can use your own.
