

Oman

Oman is slowly emerging from its hermit shell, revealing a land of friendly people and dramatic landscapes peppered with forts.

From the ancient city of Nizwa to the towns along the coast to the Capital, to Salalah, all steeped in history, you can experience Oman's sense of timelessness. The Sultanate enjoys an unspoiled culture and traditional lifestyle in almost every aspect. Even in its modernity, Oman is distinctly Arabic and offers many unique old-world wonders. Our 9-day Unknown Land itinerary offers a taste of Oman's dramatic landscapes, stunning attractions and natural wonders or for the ultimate desert experience we offer the 16-day Desert of Rub al-Khali tour.

Guide Price: Unknown Land £1,300 (Including flights from £1,900)

Ukraine

The largest country in Europe, it remains one of the least visited, yet it has retained the rustic beauty of old-world Eastern Europe.

Ukraine rewards visitors with friendly people, magnificent architecture and miles of gently rolling steppes. Our Ukraine Discovery tour starts in the beautiful city of Lviv, said to be the new Prague (without the masses of tourists). From Lviv we will make a side trip to the little visited Carpathian National Nature Park, which is Ukraine's largest such park and home to the Hutsuls people, descendants of a nomadic horde. We then head for the capital by train, using the Grand Tour vintage sleeping car attached to the overnight express bound for Kiev.

Guide Price: £1,700 (Including flights from £1,950)
