You might remember the iconic Southern Aurora running between Sydney and Melbourne from the 1960’s and 1980’s. The darling of Australian travel, the Southern Aurora was first class in its day.

Vintage Rail Journeys is proud to share with you our passion for Australian railway history. Our heritage partners have lovingly restored these carriages to their original condition and maintained them ever since. This is luxury 1960’s style, and we hope you love the experience.

Sleeping arrangements
The Aurora Australis will be stationary each night for sleeping, and you will have the choice of a twinette (2 to a cabin) or a roomette (single use only). The twinette cabin has bunk beds and one member of your party will need to be able to climb a ladder up to and down from the top bunk.

Fully escorted
Your heritage rail tour will be led by a professional, trained Tour Manager, assisted by on board crew to ensure you will enjoy a trouble free adventure.

Luggage
Your in-cabin luggage allowance is a 30kg per person suitcase plus a suit bag. There is limited hanging space available in the cabin. If this rail tour is part of a longer tour, you will be able to store larger items in our luggage van.

Wine and alcoholic drinks
Water, Soft drinks and Juices are included. The bar on the Aurora Australis is licensed to sell alcoholic drinks. These are at additional cost and can be charged to your cabin for the tour duration. In support of local producers, local wines will be sold on the train at cellar door prices.

Your Riverina adventure starts at Sydney’s Central Station. Once on board the Aurora Australis, you can choose to sit in the lounge or dining cars, or your private cabin while we travel along the Illawarra Railway Line, through the Royal National Park and offering spectacular views of the South Coast to Wollongong. We then travel on a freight only line up the Illawarra escarpment, pausing at Summit Tank Railway Station, where you are provided with a rare opportunity to take photos of the stunning vista out to sea.

Lunch will be served onboard the train today, so that you can experience all that the Aurora Australis has to offer. We join the Main South Line at Moss Vale and continue to Goulburn where we depart the train and hop onto our private Aurora Explorer shuttle bus to explore the sights and historic offerings of Australia’s oldest inland city. The train will be stabled for the night at Goulburn Station.

Enjoy breakfast on board as we leave Goulburn and continue along the Main South Line. We pass many interesting villages and towns today as we travel through the Canola Trail, so keep an eye out for the many grain silos adjacent to the rail line. Today we spend time in Coolamon, stopping at the Coolamon Railway Station dated 1881. Coolamon is named after the Wiradjuri word for a vessel carrying goods, children and water, “Gullaman” and this little town offers us a warm welcome.

Flanked by the Train Station at one end of the street and the Fire Station at the other, we have developed an afternoon experience of ambling the beautifully preserved heritage main street of Coolamon. A stop at the Coolamon Cheese Factory is a must for anyone who likes cheese or is interested in the cheese making process. The Up-To-Date Store, built in 1909 plays host to a variety of museum displays and collections. A stroll through this heritage listed building will bring back memories for some and offer interesting stories for others. The Coolamon Fire Museum hosts a truly amazing private collection of fire fighting equipment, uniforms and memorabilia. Along with heritage museums and buildings, the main street contains many local shops, restaurants and cafes, making this afternoon an unforgettable experience for all.

We will return to Coolamon Railway Station throughout the afternoon in preparation for a 3pm departure. We will travel along the Yanco to Griffith Line. Dinner will be served on-board the train at Griffith Station, where we will be stabled for the night.
